2. Leaving Certificate results 2022

An analysis of the results, by subject and level, for the LC and LCA classes of 2022 were presented to and discussed by the Board.

The Board noted the percentage of students taking HL across all subjects. The addition of P.E. as a LC exam subject for the first time was commended. The challenges experienced and the effect of Covid on the LCA class, in particular, was discussed. The staff were thanked for their support of students over a challenging number of years.

3. Annual Review of AP I and AP II Posts of Responsibility

The completion of the AP 1 and II leadership posts annual review was noted.

4. Teaching and Learning

The Board were updated on the progress of the school improvement plan following the School Self Evaluation process based on data collected from students, staff and parents

5. Dignity in the Workplace

An online training programme, developed by ACCS, would be rolled out to staff during November. Following training expressions of interest would be sought among all staff, teaching and non-teaching, for two persons to undertake the role of "Contact Person" as detailed in the policy.

6. Open Night 2022

The staff and students were thanked for a successful and energy filled Open Night.

6. Breakfast and Homework Clubs

Staff were thanked for their running of a Breakfast and Club and First Year Homework clubs.

Ratified by Board of Management 8/12/22
