HOW DO YOU SIGN UP?

****YOUR UNIQUE SCHOOL REGISTRATION CODE WILL BE ISSUED IN AUGUST****

Once you have received your unique school registration code please follow the below steps

STEP 1

Visit www.foodvillage.ie and follow the download buttons to download the Food Village Mobile app

Download on
App Store

Available on
Google Play

STEP 2

Open the newly downloaded App and select education. You will then need to select if you are **I am Parent** or **I am Student**.

All students will attend an on-boarding assembly at the start of the school year for a full info session on how the Food Village service works.

I AM PARENT –STEP 3

Complete the registration information and create a new account. Verify your account with the OTP code sent to your email address.

I AM STUDENT –STEP 3

After choosing you are a student you will be asked to enter your schools unique registration code. Then please complete the registration page, including selecting your year and class information.

I AM PARENT –STEP 4

Once you have registered and verified your account. You will be asked **CREATE A NEW STUDENT** or **LINK EXISTING STUDENT**

I AM STUDENT –STEP 4

Choose to independently manage your student account yourself if you have your own bank card to add to your wallet or ask a parent to link accounts with yours and allow your parent/guardian to control your wallet on your account.

Students typically sign up to their account using their designated school email address. Parent linking is optional and provides a host of benefits. For more information visit: www.foodvillage.ie/parents

Note – Parent accounts cannot order without linking to a student or creating a new student.

To link with a parent navigate to your **profile** menu and **Link to Parent/Guardian**. Select the share link button to share your student account details.

Please contact us directly if you have any questions or concerns regarding this new service
